CUSTOM WEBBING & ACCESSORIES

VERSATILITY IN EVERY THREAD.

Custom webbing products and accessories for identification, events, awards, and branded merchandise. Our range includes lanyards, medal ribbons, wristbands, and key straps, with materials, dimensions, printed or woven designs, and attachments tailored to your requirements.

CUSTOM WEBBING MATERIALS, STYLES & ATTACHMENTS

Choose from a range of strap materials, woven constructions, and printing options for lanyards, medal ribbons, shoelaces, and luggage straps. Widths, lengths, colors, and attachments can be tailored to your design and intended use, including hooks, buckles, breakaway connectors, badge reels, and phone loops.

WEBBING PRINTING TECHNIQUES

PROCESS: HEAT TRANSFER PRINTING & DYE SUBLIMATION

Heat transfer printing reproduces logos, text, and multicolor artwork on suitable webbing. Dye sublimation transfers dyes into polyester fibers, allowing full-color patterns and gradients while retaining the fabric's texture. Strap dimensions and attachments can be customized for lanyards, wristbands, and medal ribbons.

SPECIALTY WEBBING & FUNCTIONAL PORTFOLIO

CATEGORY: DIVERSE MATERIALS & CUSTOM FUNCTIONAL WEBBING

Custom lanyards feature printed logos or text on flat textile straps. Materials, widths, lengths, colors, and attachments can be customized to suit your requirements, with printing methods selected according to the material and artwork. Suitable for staff identification, event badges, and promotional use.

OTHER WEBBING

OTHER WEBBING & STYLE OPTIONS

JACQUARD LANYARDS, CUSTOM SHOELACES & WOVEN LABEL LANYARDS

CAT.05.A // JACQUARD LANYARDS

Logos and patterns are woven directly into the strap using colored yarns, creating an integrated design with a distinct woven texture.

CR-001

CR-002

CR-003

CAT.05.B // CUSTOM SHOELACES

Custom shoelaces in flat or round styles, with solid colors, printed patterns, and tip options to suit footwear and promotional projects.

CR-001

CR-002

CR-003

CAT.05.C // WOVEN LABEL LANYARDS

A woven logo ribbon is sewn onto a base strap, combining detailed branding with a layered construction. Ribbon colors, strap widths, and attachments can be customized to suit your design.

CR-003

OTHER WEBBING & FUNCTIONAL OPTIONS

NYLON, DUAL-HOOK, AND RHINESTONE LANYARDS

CAT.05.A // NYLON LANYARDS

Nylon lanyards feature a smooth surface with a subtle sheen. Custom logo printing, strap widths, colors, and attachments can be selected to suit your project.

CR-001

CR-002

CR-003

CAT.05.B // DUAL-HOOK LANYARDS

Two attachment hooks connect to separate points on a badge holder, helping it stay facing forward and reducing twisting. Suitable for conferences, trade shows, and events.

CR-001

CR-002

CR-003

CAT.05.C // RHINESTONE LANYARDS

Adorned with sparkling rhinestones for a fashionable, eye-catching look, seamlessly blending everyday functionality with a luxurious touch.
